PROFESSIONAL SUMMARY

Motivated B.Tech Computer Science student at Vivekananda Global University, simultaneously enrolled in the CCBP 4.0 Technology Program to develop industry-ready software engineering skills. Passionate about Artificial Intelligence, Machine Learning, and Full Stack Web Development. Proven ability to blend theoretical knowledge with hands-on practical application through dual-track academic training.

EDUCATION

Computer and Information Sciences May 2025 – Aug 2028 | Online
NxtWave | CCBP 4.0 Technology Program

B.Tech – Computer Science & Engineering Aug 2024 – Aug 2028 | Jaipur, India
Vivekananda Global University (VGU)

EXPERIENCE

Artificial Intelligence & Machine Learning Intern Jul 2025 – Jul 2025 | India

- Completed a focused internship on AI/ML concepts, gaining hands-on exposure to real-world applications of machine learning.
- Worked with supervised and unsupervised learning techniques, applying them to practical problem-solving scenarios.
- Received certification upon successful completion, validating applied knowledge in Artificial Intelligence.

TECHNICAL SKILLS

Programming Languages: HTML, CSS, JavaScript, Python

Domains & Technologies: Artificial Intelligence, Machine Learning, Full Stack Web Development

Core Competencies: Problem Solving, Data Structures & Algorithms, Client-Facing Communication, Working with First-Time Users

Tools & Platforms: Git, VS Code, CCBP 4.0 Platform, LinkedIn

CERTIFICATIONS & TRAINING

AI & Machine Learning Certification Jul 2025

CCBP 4.0 Technology Program May 2025 – Present

- Intensive industry-aligned program covering Full Stack Development, DSA, and modern software engineering practices.

PROJECTS & ACADEMIC WORK

- Developing web-based projects as part of CCBP 4.0 curriculum using HTML, CSS, and JavaScript.
- Exploring ML model building and data analysis through coursework and self-initiated mini-projects.
- Actively maintaining a personal portfolio at jatinjangid.carrd.co showcasing technical work and achievements.
